Statements of Support

In the space below insert brief, specific statements (try to keep it to one page, bullet points are ok too) demonstrating the diverse, exemplary voluntary service of your nominee. Include the name and relationship of each contributor.

Note: *The Committee will place greater value on fewer statements that demonstrate a diverse array of voluntary service than a plethora of statements that are largely about the same activity.*

Example statement:

I was pleased to get to know Jane Doe on the initiative to purchase new playground equipment for the XYZ Park in town in 1995. Jane led the entire effort including raising over \$25,000 in private donations, assembling volunteers to install the equipment on a Saturday in July, arranging donation of snacks and drinks for volunteers, and the subsequent ribbon cutting the following day.
