

# PLEDGE FORM

Reimagine & Revitalize Downtown Fairfield: Be Part of the Change!

Main Street programs have a proven track record of revitalizing downtowns, fostering economic growth, preserving historic landmarks, and building a sense of pride and community. By bringing Main Street to Fairfield, we can unlock resources, grants, and technical support to bring our downtown vision to life. **Community support is critical to making this vision a reality.**

## IMPORTANT INFORMATION

We are only asking for a **pledge** at this time.

To become a Main Street community, we must show evidence of private and public investment in the form of both time and money. The program requires that we have the first 3 years' budget pledged when we submit the application. Our application will be submitted in [Month] 2025.

In order to meet this requirement, we ask that you complete this form and **return by March 15, 2025.**
